

BRIDGE MAINTENANCE ALERT

Lane & Trail Closures

Crown Valley Parkway & Oso Parkway Bridges: Bridge Maintenance Projects, Will Require Lane & Trail Closures

OC Public Works will complete routine maintenance to both the Crown Valley Parkway Bridge and Oso Parkway Bridge to extend the bridges' service life and maintain safe operation. These bridges span over the Trabuco Creek/Arroyo Trabuco Wilderness Area located east of Mission Viejo and west of Ladera Ranch (Crown Valley Parkway Bridge) and Las Flores (Oso Parkway Bridge).

WHAT

INTERMITTENT LANE CLOSURES: Commuters and other bridge users may experience brief delays at times during project activities as lane closures are required. Lane closures will be as needed and not continuous. Lanes will open for public use at the end of each work day. Please allow for additional travel time.

INTERMITTENT TRAIL CLOSURES (below bridges): Periodically, closures of dirt trail sections directly below both bridges will be closed as a safety precaution during certain project activities. 48-hour notice will be issued before trail closures. Trail areas outside of the project will remain accessible.

Bridge maintenance activities will include:

- Repairing road surface areas along the bridges
- Applying road surface treatment to enhance durability
- Installing stormwater drainage conduit to protect utility equipment

WHEN

Nov 14, 2022 — Late Jan/early Feb 2023

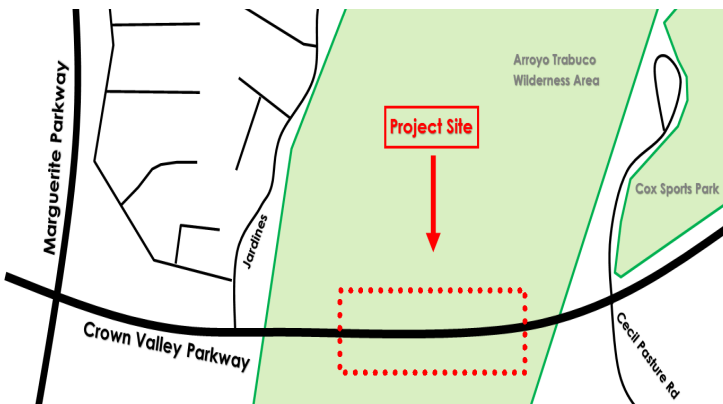

Monday — Friday

Lane Closures: 9 a.m. — 3 p.m. Project work hours: 7 a.m. — 5 p.m.

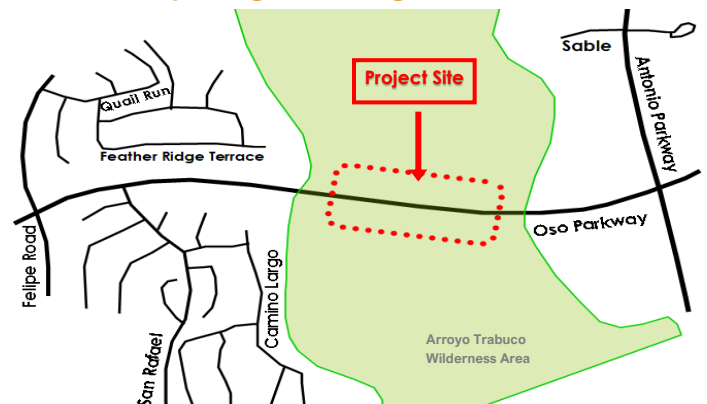

See dates for each bridge below.
Schedule subject to change

WHERE

Crown Valley Parkway Bridge: Starting Nov 14

Oso Parkway Bridge: Starting on or after Nov 21
