

## Yorba Linda Road Surface Treatment

(Unincorporated County Areas)

### Road/Lane Closures Needed

OC Public Works will complete a road maintenance project on various roads in the unincorporated Orange County area within Yorba Linda. Work consists of applying a surface seal material to extend the life of the road surface and re-establishing traffic striping and pavement markings. Door hanger notifications will be distributed and "No Parking" signs posted in project areas 48-hours in advance of work.

### WHAT

Access to residences may be limited during working hours depending on location of work.

Advanced notification will be provided 48 hours in advance via door knob hanger cards and "No Parking" signs.

### ROAD/LANE CLOSURES

Lane closures will be needed to accommodate these activities.

 Pay attention to flaggers directing traffic past active work locations.

Your safety is our top priority! Please observe all project safety and traffic control signs and barriers.
