

Flood Control Channel Improvements Lane Channel Maintenance Project (Irvine)

OC Public Works will complete repairs along a segment of the Lane Flood Control Channel located adjacent to MacArthur Boulevard in the city of Irvine.

WHAT

Crews will perform maintenance repairs to the flood control channel to continue effective flood protection.

Businesses within close proximity to the flood control channel may experience a temporary increase in noise due to equipment and maintenance activities.

PARTIAL ROAD CLOSURES

Roads will remain open at all times during construction, however lanes closures may be required at times while moving materials in and out of the project area.

Area motorists and other road users may experience delays when traveling in the project area during working hours.

Please follow guidance posted on construction signs and directions from flag personnel near the project area.

WHEN

Anticipated Construction Duration

July 24, 2023 — Late October 2023

Working Days/Hours Monday—Friday
6:30 a.m.—5 p.m.

The construction schedule is tentative and subject to change due to weather and other factors.
