

## Public Works and County Emergency Contact Information during Storm Periods

For after hour emergencies please contact Control One (OC Sherriff's Dept.) at (714) 628-7000.

OC Public Works/Operations & Maintenance may be reached during regular business hours (6:00 am – 4:30pm Monday-Friday) at (714) 955-0200. Although County crews are available, weekend concerns should be reported to Control One. For after hour's information during emergency situations, the Department Operations Center (DOC) can be contacted at (714) 955-0333.

Sandbags (empty) are available to County residents by calling the Operations & Maintenance numbers listed above.

### For Canyon Residents

Erosion control supplies (ECS) (sandbags, sand, and rice bales) can be obtained by calling the ECS "Hot Line" (714) 667-3229.

Erosion control supplies are located at the "Portola Pit" which is a County facility located in the City of Lake Forest at 20791 El Toro Road (north of Portola on the west side of the street, behind the Saddleback church).
