

CONSTRUCTION ALERT

Silverado Canyon Pavement Rehabilitation

OC Public Works will complete a pavement rehabilitation on Silverado Canyon Road and connecting local streets to deliver smoother driving conditions and extend the service life of the road.

WHAT: OC Public Works will complete a pavement rehabilitation on Silverado Canyon Road and adjacent and connecting local streets. **Area residents should be advised that access to residences may be limited during working hours, depending on the date and location of the work.** Rehabilitation work will consist of grinding and paving Black Star Canyon Road and Thisa Way. OC Public Works will complete remedial repairs including crack sealing on Silverado Canyon Road, Kitterman Drive, Sleepy Hollow, Ladd Canyon Road, and Belha Way.

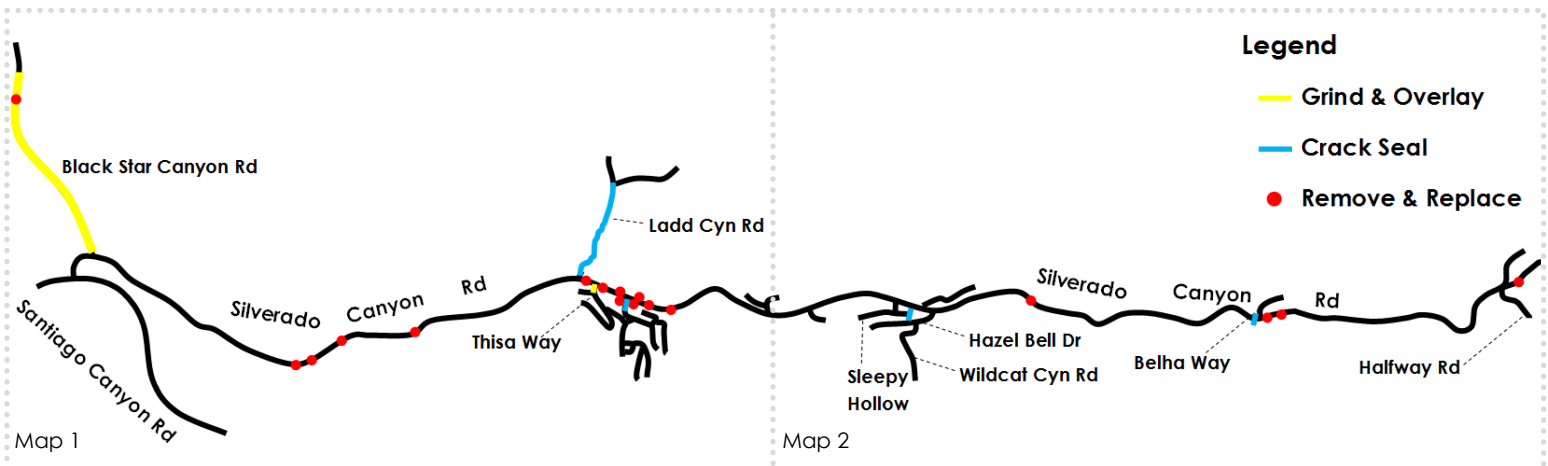

Silverado Canyon Road will have intermittent removal and replacement as part of advance work for an anticipated resurfacing of the entire road in Spring 2018. The remedial repairs on Ladd Canyon Road, Kitterman Dr., Sleepy Hollow and Belha Way are being completed in anticipation of the slurry seal to be applied in Spring 2018.

"No parking" signs will be displayed in construction areas 48 hours in advance of work activity.

WHEN: **Construction Duration:** January — February 2018 **Working Hours:** 9 am – 3 pm

Working hours are reduced to minimize impacts to residents in the area. Residents will receive additional notification 48 hours in advance of construction.

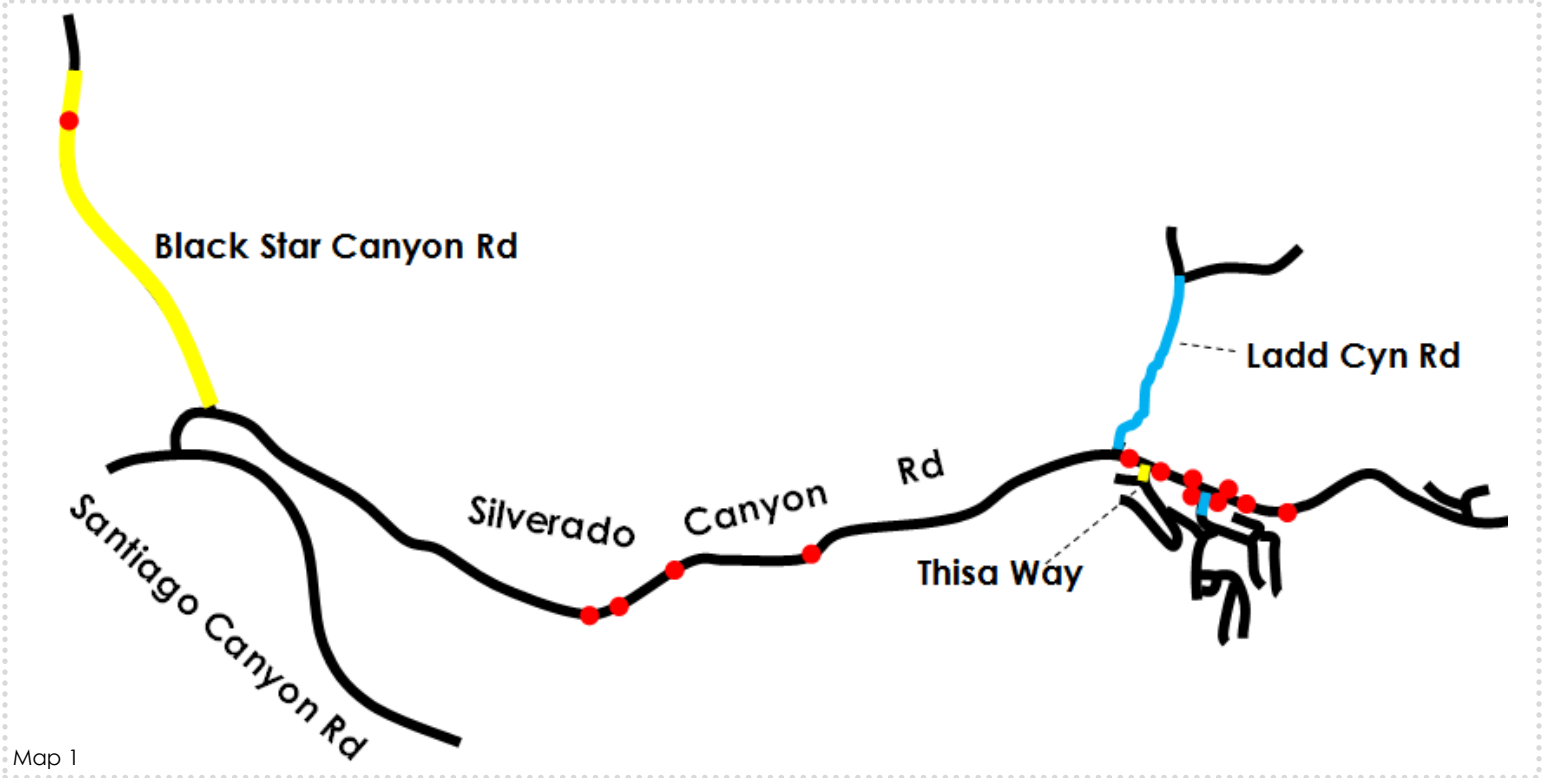

WHERE: Road work will take place on Silverado Canyon Road, Black Star Canyon Road, Thisa Way, Ladd Canyon Road, Kitterman Drive, Sleepy Hollow and Belha Way. See below and the reverse side of this notification for project area maps.
