

CONSTRUCTION ALERT

North Glassell Street Pavement Rehabilitation

OC Public Works will complete a pavement rehabilitation project on North Glassell Street in unincorporated Orange County adjacent to the City of Anaheim.

WHAT: OC Public Works will complete a pavement rehabilitation project on North Glassell Street in unincorporated Orange County adjacent to the City of Anaheim. The pavement rehabilitation will include removing and replacing damaged asphalt concrete pavement, adjusting manholes, applying new traffic striping, and replacing two traffic detectors.

Please note that construction will be phased. The first phase will take place in the outer lanes. Traffic will be transitioned to the center lanes during construction activities in the outer lanes. During the second phase, traffic will then be transitioned to the outer lanes during construction activities in the center lanes.

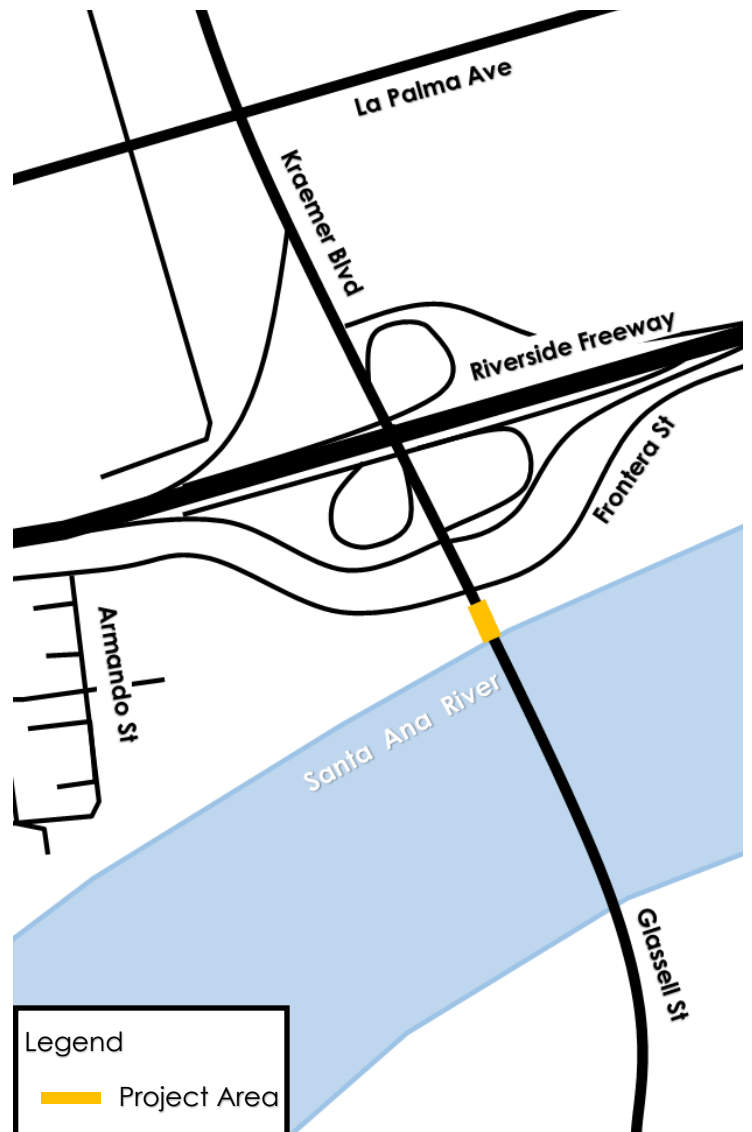

Glassell Street will remain open at all times during construction, but drivers in the area should expect minor delays.

WHEN: **Construction Duration:**
Monday, April 2 — Friday, April 6

Working Hours:
Monday — Friday, 9 am — 3 pm

The construction schedule is tentative and subject to change due to weather and other factors.

WHERE: Construction will take place on Glassell Street, between the Santa Ana River and Frontera Street in the City of Anaheim. See the map to the right for details.
