## La Paz Flood Control Channel Rehabilitation

OC Public Works will perform rehabilitation work to the La Paz Flood Control Channel and adjacent access road in the City of Mission Viejo.

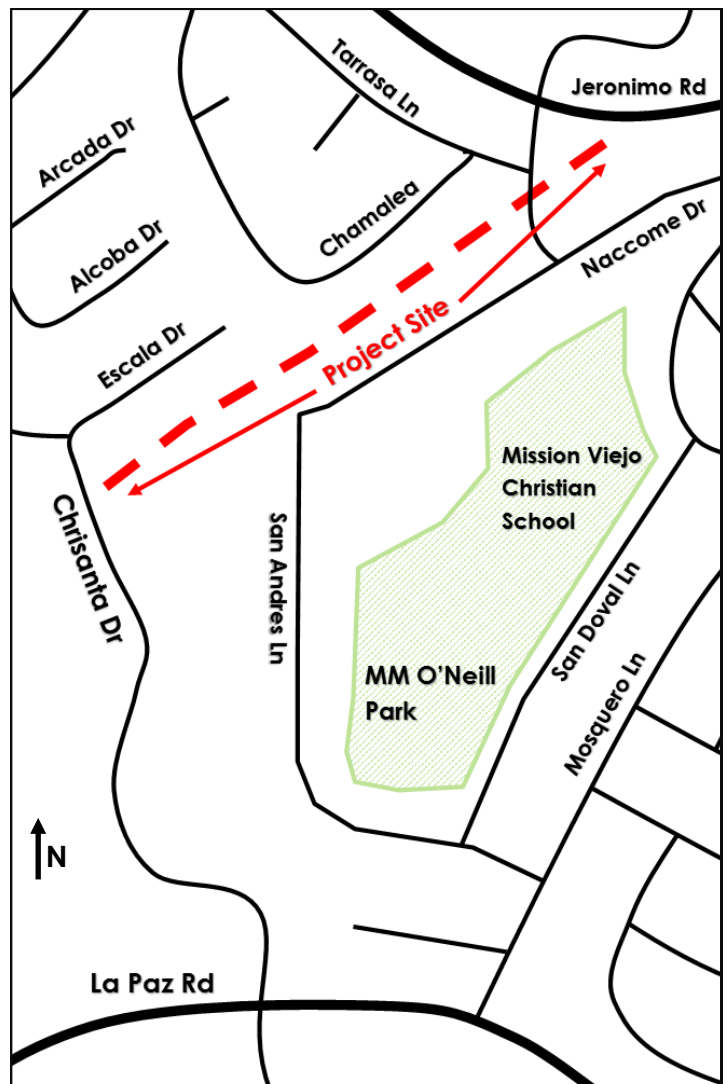

**WHAT:** Rehabilitation work along the La Paz Flood Control Channel includes miscellaneous concrete repairs to the channel lining and concrete asphalt repairs to the adjacent access road. The work will include the use of large construction equipment within the channel. Residents who live within close proximity of the project site may experience typical construction noise during working hours.

**WHEN:** **Construction Duration:**  
May 14—25, 2018  
**Working Hours:**  
Monday—Friday, 7 am—4 pm

*The construction schedule is tentative and subject to change due to weather and other factors.*

**WHERE:** The project area is located between Jeronimo Road and Chrisanta Drive in the City of Mission Viejo. See the project map to the right for detail.
