

# CONSTRUCTION ALERT

## Fletcher Channel Rehabilitation Project

OC Public Works will complete a rehabilitation project along the Fletcher Flood Control Channel in the City of Orange. See below for details.

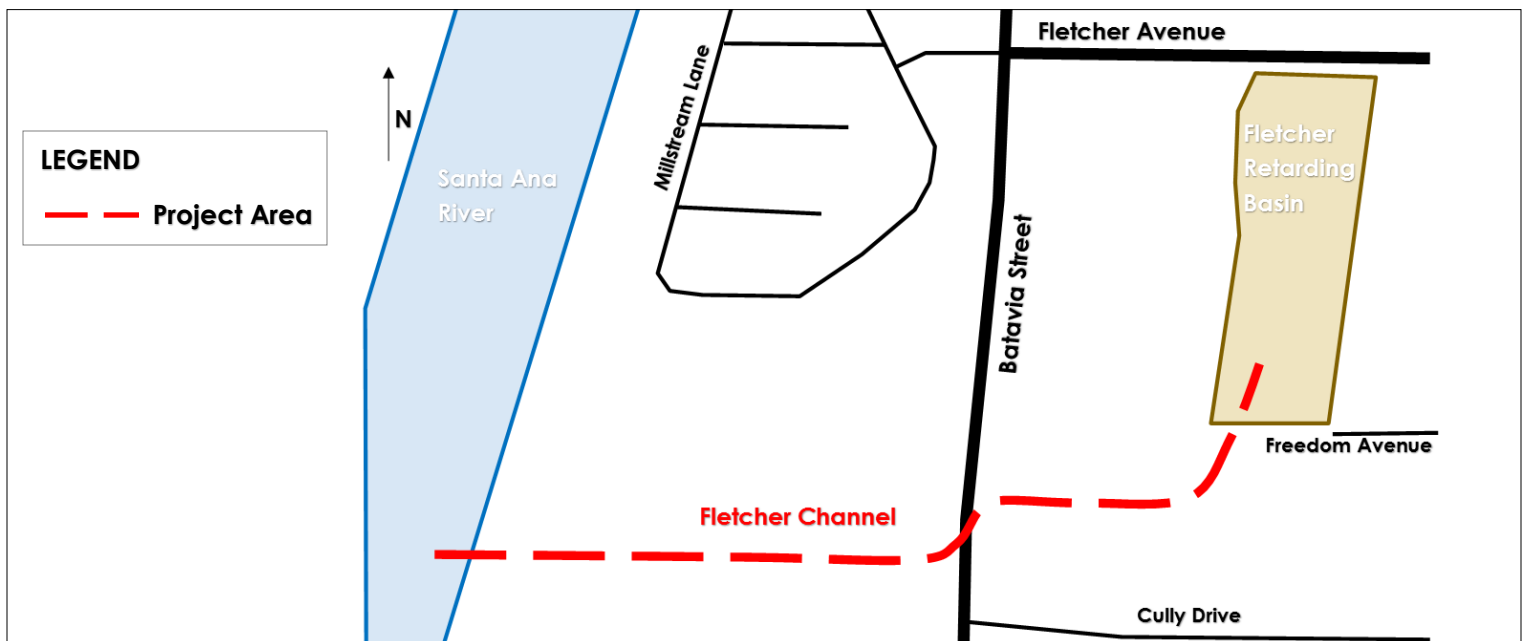

**WHAT:** The Fletcher Channel Rehabilitation project will include removing sediment and grouted rocks, replacing and installing “riprap” along sections of the channel, reconstructing eroded channel slope to its as-built condition, trimming trees and other vegetation, and installing new chain link fencing and gates.

Residences and businesses located within close proximity to the project area may experience noise and dust from construction activities.

**WHEN:** **Anticipated Construction Schedule:** May 21, 2018 — July 2018  
**Working Hours:** Monday — Friday, 7 am — 4 pm

*The construction schedule is tentative and subject to change due to weather and other factors.*

**WHERE:** Construction activities will occur along the Fletcher Channel in the City of Orange between the Santa Ana River Trail to west of Freedom Avenue. See the map below for additional detail.
