

YOU'RE INVITED: COMMUNITY MEETING

Live Oak Canyon Road / Trabuco Canyon Road Safety Improvement Project

WHAT:

You're invited to learn about important road safety improvements on Trabuco Canyon Road and Live Oak Canyon Road. The "open house" format meeting will give you the opportunity to learn about important project details, including:

- Types of safety enhancements, work schedule and phasing
- Maps illustrating the location and design features
- Updates on CHP enforcement and coordination efforts
- The opportunity for you to ask questions and share comments with OC Public Works staff

Safety enhancements will include installing a high-friction pavement surface, installing guardrails in certain locations, replacing damaged guardrails, installing rumble strips along the centerline of the roadway, updating signage, and grading shoulders to enhance law enforcement presence. OC Public Works will not be removing any trees for this project.

WHEN:

Meeting date/time:

Wednesday, August 15, 2018
6:00 pm—7:30 pm

Anticipated construction:

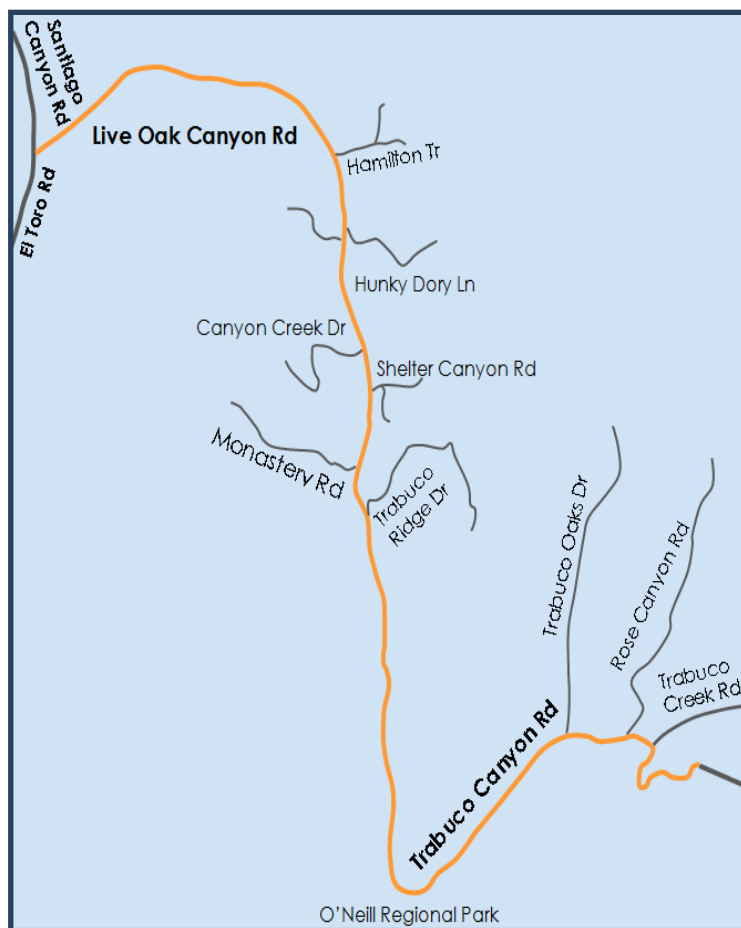

Late August 2018 to March 2019
Hours: Mon-Fri, 8:30 am-4:30 pm

WHERE:

Meeting location:

O'Neill Regional Park, Conference Room
30892 Trabuco Canyon Rd
Trabuco Canyon

 Project Area
