

Moody Creek Channel Rehabilitation Project

Project Summary

OC Public Works will complete a rehabilitation project along the Moody Creek Channel, located in the City of La Palma. All construction activity will occur within the flood control channel between La Palma Avenue and the Coyote Creek Channel. Residents and visitors to Forest Lawn Cemetery should expect typical construction noise and dust during working hours.

WHAT

The rehabilitation work will include repairing concrete, removing and replacing damaged chain link fencing, and backfilling washed-out and eroded sections of the channel. OC Public Works will also remove excess sediment, clean weep holes and construct new concrete gutters.

WHEN

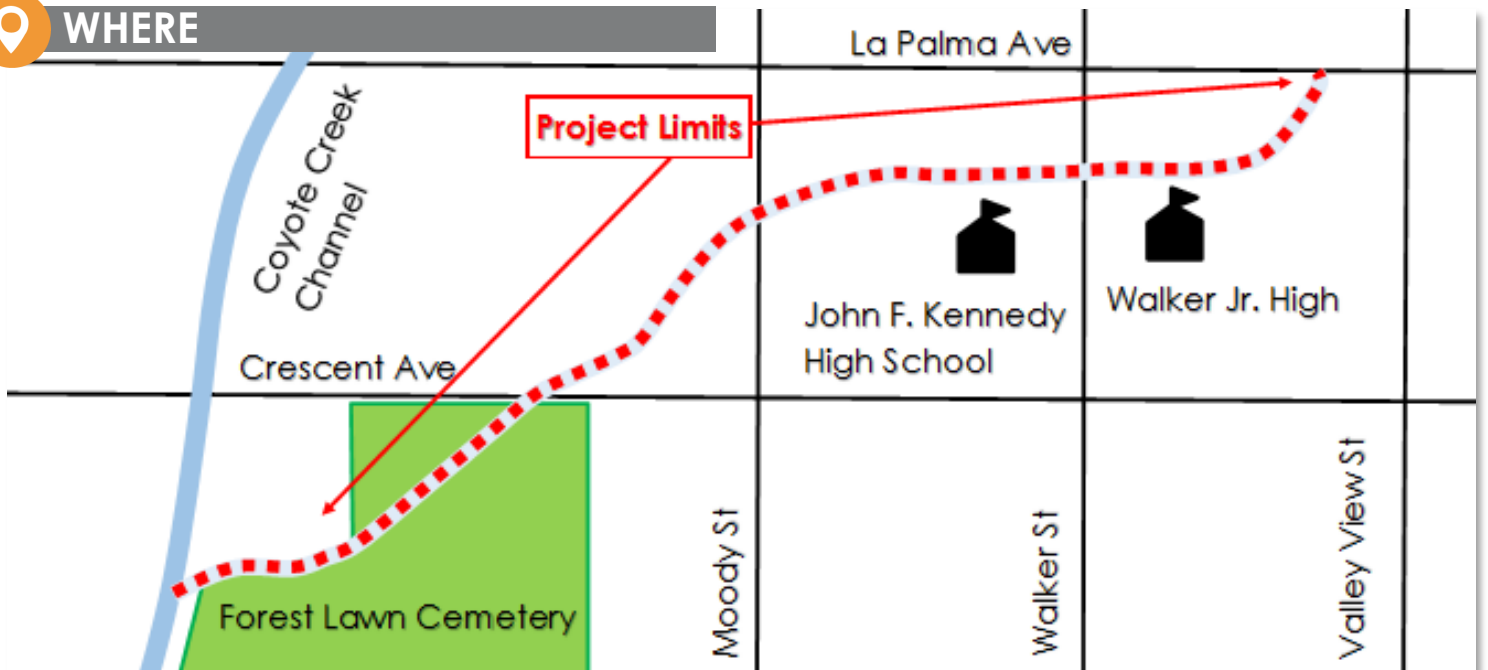

Anticipated Construction Duration

Early November 2018 — Late January 2019

Working Hours | Monday—Friday | 7 am — 4 pm

The construction schedule is tentative and subject to change due to weather and other factors.
