

## Santa Ana River Trail Realignment Project

### Project Summary

OC Public Works will realign segments of the Santa Ana River Trail north of Katella Avenue and from SR-57 to I-5. The project will also include an asphalt concrete rehabilitation at segments of the existing paved trail, constructing a decomposed granite (DG) pathway adjacent to the paved trail, and installing signs and fencing.

### WHERE

### WHAT

Bicyclists and other trail users will be detoured through the project area to the service road that runs parallel to the existing trail. Temporary fencing will be installed on Thursday, November 15. Construction will begin on Monday, November 19. The trail will be accessible during normal operating hours at all times during construction.

### WHEN

#### Anticipated Construction Duration
