

MEETING POSTPONED

The Trabuco Canyon Road Bridge Replacement Project Community Meeting scheduled on March 19, 2020 has been postponed until a later date (yet to be determined).

OC Public Works will look at a potential meeting date in April and will provide an update when information becomes available.

ABOUT THE PROJECT

The bridge located along Trabuco Canyon Road, between Rose Canyon Road and Trabuco Creek Road, is nearing the end of its service life and has required repeated maintenance following significant rain storms. OC Public Works staff will host a community meeting to present potential bridge replacement options. Our team is seeking input from the community to better determine the scope of the project.
