

Antonio Parkway

(Ladera Ranch and Las Flores)

Road Grinding and Resurfacing

Project Summary

OC Public Works (OCPW) will complete a “grind and overlay” road resurfacing project along the northern portion of Antonio Parkway (beginning south of Oso Parkway and continuing approximately two miles north) in the Ladera Ranch and Las Flores areas of unincorporated Orange County and the City of Rancho Santa Margarita. **Access to residences and businesses may be limited during working hours, depending on the location of the work.**

WHAT

Construction activity will include an asphalt overlay, adjusting various utilities, cold pour crack filling and seal coating at select locations, and reestablishing traffic loops, traffic striping, pavement markings and raised pavement markers within the Ladera Ranch and Las Flores unincorporated areas of the County of Orange.

Additional notice will be provided 48-hours in advance via door knob hangar cards and “No Parking” signs.

Note: There is a concurrent “grind and overlay” overnight project along Antonio Parkway south from Covenant Hills Drive to Ortega Highway. For more information, please visit ocpublicworks.com/news.

The project area adjacent to Las Flores Middle/Elementary Schools between Oso Pkwy and Sable is planned for completion by August 14, 2022.

WHEN

August 1, 2022 — September 2022

Anticipated Work Schedule

Monday—Friday, 8:30 a.m. — 3:30 p.m.

The construction schedule is tentative and subject to change due to weather and other factors.
