

OC on the Move

ACTIVE TRANSPORTATION PLAN

Meet with us online to see recommended improvements for future pedestrian and bicyclist infrastructure in unincorporated Orange County communities and along County flood control channel maintenance roads!

The public is invited to participate in a Virtual Community Workshop on Jan. 25 or 26, 2023, that will highlight proposed recommendations and next steps for the OC on the Move Active Transportation Plan.

1 CHOOSE A WORKSHOP THAT WORKS FOR YOU:

Wednesday

JAN. 25
6 - 7 p.m.

OR

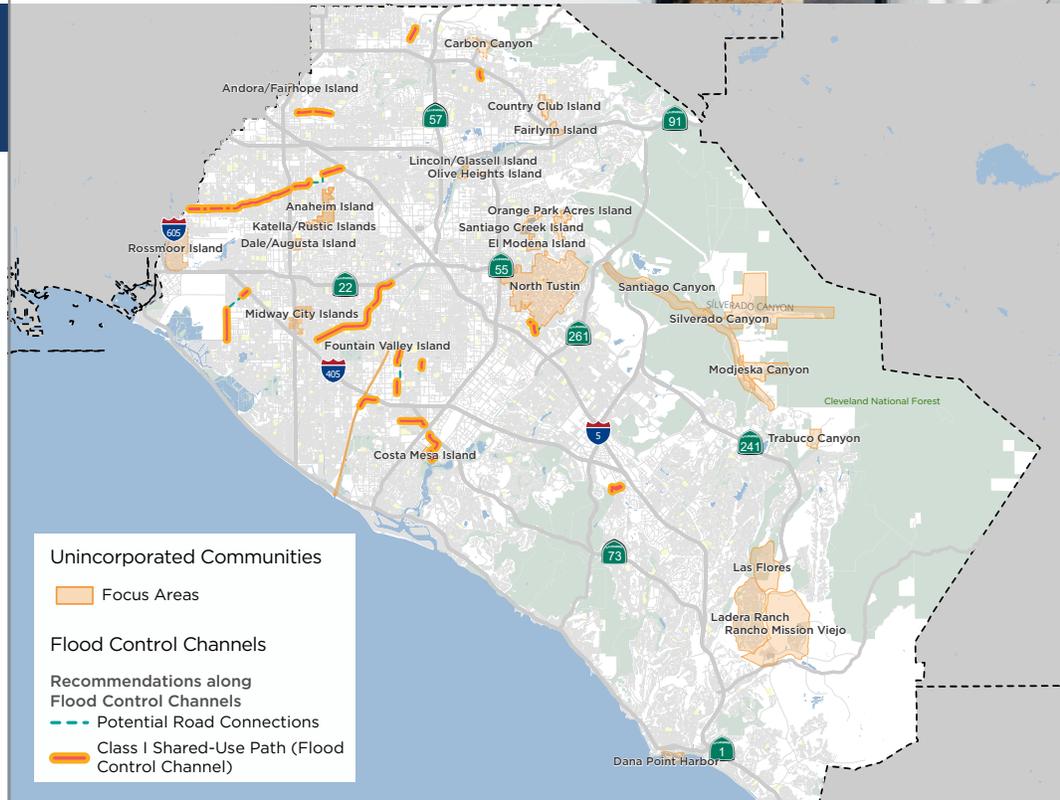

Thursday

JAN. 26
6 - 7 p.m.

The same content will be presented online for both dates.

Scan QR codes above with your smart phone camera for registration links.

- Unincorporated Communities
- Focus Areas
- Flood Control Channels
- Recommendations along Flood Control Channels
- Potential Road Connections
- Class I Shared-Use Path (Flood Control Channel)

2 REGISTER TO ATTEND:
