

Potholing and Utility Exploration at Channel Bridges in Huntington Beach

PERIODIC LANE CLOSURES REQUIRED

Project Summary

OC Public Works will complete a four-day utility exploration project across three channel bridges (Warner Avenue, Springdale Street, and Edwards Street) in the City of Huntington Beach.

WHEN

March 28 — 31, 2023

Work Schedule

Tuesday — Friday

Location 1 — Warner Avenue

Location 2 — Springdale Street

Location 3 — Edwards Street

Schedule is tentative and subject to change due to weather and other factors.

WHAT

Work includes potholing, or digging test holes, in order to identify the location of underground utility equipment in preparation for upcoming bridge improvements.

LANE CLOSURES: The bridges will remain open, however, anticipate delays and mind flag personnel and signage when driving through the project areas. Lane closures will change as work progresses.
