

Construction Alert

Rancho Mission Viejo: Chiquita Canyon Drive

Fiber Optic Communication Equipment Installation for Monitoring Traffic Conditions

OC Public Works contractors will be **installing new fiber optic communication cables and equipment** along Chiquita Canyon Drive in Rancho Mission Viejo. While crews work along the side of the roadway, there may be times when intermittent sidewalk and lane closures may be needed.

WHAT

Project activities will include installing underground fiber optic communication cables and related equipment along the roadway edge of Chiquita Canyon Drive.

This underground communications equipment will enhance capabilities of OC Public Works' Traffic Management Center, which helps us remotely monitor roadway and traffic conditions at key road and intersection locations.

Please note: Intermittent sidewalk and lane closures along Chiquita Canyon Drive may be needed to accommodate project activities.

WHEN

Construction Schedule

October 30, 2023 — early February 2024

Working Days/Hours

Monday—Friday | 7 am — 3:30 pm

NOTE: construction schedule is tentative and subject to change due to weather and other factors.

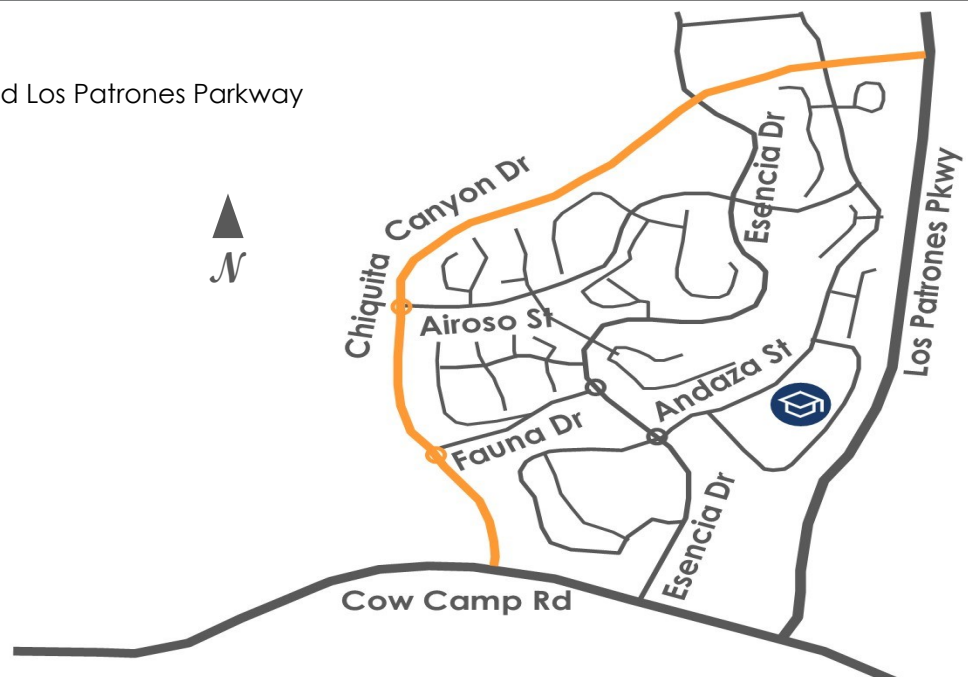

Your safety is our top priority! Please observe all project safety barriers and signs when near project areas.

WHERE

Chiquita Canyon Drive,

Between Cow Camp Road and Los Patrones Parkway
Rancho Mission Viejo
